NEW PE KIT 2009

The new compulsory PE kit to the left is available only through school. It consists of a reversible rugby top, shorts with the school badge and green Euro sports socks.

The polo shirt below is also compulsory and has been specially designed with the school badge and green panels/collar instead of the blue shown here.

Further items are available as options including black swimming shorts and a tracksuit which may be worn for outside lessons.

Further items specific to yrs 12/13 and examinable PE groups will be available in the near future

From September all new year 7 pupils must have these 4 compulsory items of PE kit shown. Years 8 – 11 can continue to wear their current PE kit but are welcome to purchase any new items when they wish or when current kit needs replacing. Please do not purchase any items from our previous suppliers.
