16th July 2009

Dear Parent/Guardian

I am aware that most parents of pupils in years 8 to 11 from September have received a letter regarding the new PE kit. This can also be seen on the schools website. However due to unforeseen circumstances we are unable to supply this kit to any pupil in years 8 to 11 until after Easter 2010. The new year 7 pupils will be the only year group who will be supplied with this kit from school before then.

If any pupils in years 8 to 11 need to purchase new PE kit for the coming year they must use their normal suppliers. They will obviously be able to wear this kit for all PE lessons at St. Bede's for as long as necessary.

All pupils regardless of year group will also need to visit these suppliers to obtain their full school uniform including the green polo shirts which are used as a summer uniform from Easter 2010 until the end of term. Years 8 to 11 will also be allowed to use these green polo shirts for indoor and summer PE lessons although year 7 will not.

Any orders already received from years 8 to 11 will be returned to parents/guardians with a full refund.

Can I apologise for this situation and thank you for your patience in this matter.

Yours sincerely

Mr. J. Higginson
Assistant head Teacher
